

ORCA is a high efficiency IP65 IK10 rated die-cast aluminium wall mounted luminaire designed to minimise upward light. M20 rear and side entry points make it suitable for both conduit and besa box installations. Orca's unique flexibility enables dip-switch control to provide both multi output options (1700 lm / 2500 lm / 3500 lm) and colour temperature (3000K / 4000K). Finished Antracite RAL7016

Product Code	Description	Weight
ORCA	IP65 IK10 multi wattage die cast bulkhead RAL7016	2.5kg
/ E3	Integral 3 hr emergency	
/ MWS	Microwave presence detector	
/ WH	White finish
